Mr. Richard Lehman  
CIA History Staff  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Lehman:

I am sending to you under separate cover the copies from White House Central Files on the CIA which you requested. There will be one package of unclassified documents and a separate package of White House classified documents which we are making available to you under the authority delegated to the Archivist of the United States by E.O. 12356 to control access to White House classified material. The cost of copying these materials is \$111.22. Please make payment by check or money order payable to the Gerald R. Ford Library Trust Fund.

The other collections you inquire about (Marsh, Buchen, Duval, Hardy, and Cargill) present many processing problems because of the presence of large amounts of classified material and material restricted by the terms of President Ford's deed of gift. Because their sensitivity, none of these collections is currently included in our processing plans and will not be for several years.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Don W. Wilson'.

DON W. WILSON, Director  
Gerald R. Ford Library and Museum
